

# Are you getting the most from your IT systems?

Computacenter in association with Computer Weekly bring you a seminar on the business benefits of Adopting Service Values

Technology alone cannot guarantee you a competitive advantage. It is successful management of IT systems that enhances business performance.

Join independent industry speakers discussing crucial issues facing IT Service Management. From Best Practice to Service Agreements, you'll be well informed on the latest developments.

For more information, call [Joanne Fisher](tel:02086523836) on 020 8652 3836 now.

**FREE ADMISSION** for first 100 delegates.
